BONUS

Van Law Firm understands the current economic impact that our community is facing due to many outside factors. As we are currently experiencing inflation, here at Van Law Firm, we stand with our employees and wish to help them ease their burden of the effects of this difficult situation.

Therefore, we are pleased to announce that Van Law Firm will be giving an inflation bonus to all qualified employees who are tenured and have been with the firm for more than 90 days. We are providing an 8% bonus based on the employee's current pay rate. This will be afforded biweekly starting with the August 5th paycheck.

However, please note that this bonus is contingent on inflation. Once it has been determined that inflation has changed and prices have decreased, we will cease with providing this bonus. We will make sure to inform you **30 days** in advance when this occurs.

Please review, acknowledge, and return this form to: Karla Camacho-Jimenez.

Thank you.

Very truly yours,

Sandy Van, Esq.
Van Law Firm
