Re: Your Insured: {{insurance2.insured.name}}
Our Client(s): {{fullname}}, _____, and _____
Policy No.: {{insurance2.policynumber}}
Claim No.: {{insurance2.claimnumber}}
Date of Loss: {{intake.incidentDate|longDate}}

To Whom It May Concern:

Please be advised that this office has been retained to represent {{fullname}}, _____, and _____ with regards to the personal injuries and damages sustained as a result of a motor vehicle collision involving your insured's vehicle.

So as to expedite this claim, please provide our office with the following:

1. A **certified copy of all insurance policies**, including any umbrella policy(ies), of your insured so that we may determine whether this claim can be resolved within your policy limits. Please be aware that an insurer's failure to disclose policy limits during the prelitigation phase may serve as a basis for bad faith actions. See *Powell v. Prudential P&C Ins. Co.*, 584 So. 2d 12 (Fla. 1991), and *Boincourt v. Amex Assur. Co.*, 78 Cal. App. 4th 1390 (Cal. 2000) which are both persuasive authorities on the matter.
2. **Initial property damage estimate** and **photos** of your insured's vehicle.
3. **Please have your insured answer, notarize, and return the enclosed affidavit of insurance coverage.**
4. Kindly forward copies of any recorded oral and or written statements taken from our client with regards to the facts of this loss.

Please also notify this office as to your intentions with regards to {{fullname}}'s property damage claim. If no claim has been put forth with your office, please accept this letter as formal notification of the same. Furthermore, pursuant to NAC 686A.680, "where liability and damages are reasonably clear an insurer may not recommend that a third-party claimant make a claim under his or her own policies solely to avoid paying claims under the insurer's insurance contract or policy." **Pursuant to Dugan v. Gotsopoulos, 117 Nev. 285, 22 P.3d 203 (2001), if you do not resolve our client's property damage claim in a timely manner, we will assert a claim for loss of use for each day that our client is without a vehicle. The daily amount will be the value of a rental vehicle that is comparable to our client's vehicle. As such, it is advisable that you resolve our client's property damage claim promptly.**

This includes any photographs, and/or video/audio of the incident, parties, and/or the involved vehicles, text messages, statements of the parties, etc. Failure to preserve that evidence may result in sanctions against your insured.
