Dear Mr./Ms. {{lastname}}:

Communication and compassion are two of the cornerstones of our firm. In the spirit of this, we try our best to stay in contact with you on a regular basis. We understand that often times the process may be frustrating. Please know that we are always actively working on your case and trying to get the most successful outcome. We are different. We work up every case like we're going to trial. This gives us the advantage, even during the negotiation process.

As we continue to handle your case, please let us know if you ever have any questions. We are here for you. Your worries are our worries. It is our goal to offer you the peace of mind that we would want if this were our family member. As a reminder, if you have any new medical information or information from your insurance company, please contact us immediately and make sure we get a copy for our files. We always want to stay informed of any new developments in your case.

As you continue to go through this process with us, we would like for you to always remember our promise to you:

1. Listen to you attentively
2. Speak to you truthfully and clearly
3. Respond to you quickly and patiently
4. Provide you with a highly skilled legal team
5. Act at all times in your best interest
6. Treat you with the utmost respect

Thank you for allowing us to represent you or your loved one in this very important time. We appreciate your trust and are honored that you selected our firm.

Very Truly Yours,

Andrew Stikovic
