upon you providing a copy of your insured's policy declaration sheet. This demand is also contingent on your representation that there is no other insurance coverage covering either the owner or the driver of the vehicle.

Please also verify the payment of all property damage and/or loss of use expenses.

If this matter can be resolved within 30 days from the date of this letter, we will recommend to our client(s) that **he/she/they** accept your client's offer of settlement. Should we not be able to agree on this, our client(s) will have no choice but to proceed with the appropriate civil litigation against your insured wherein **he/she/they** will seek a judgment for the full amount of **his/her/their** damages, thereby subjecting your company to a first party action for bad-faith for failure to settle a claim within policy limits when presented with a reasonable opportunity to do so. We look forward to your prompt response.

Your acceptance of this demand must be received, in writing, **within 30 days from the date of this letter**, or this offer is withdrawn.

Very Truly Yours,
