Re: Non-Engagement Letter

Dear Mr./Ms. {{lastname}}:

Thank you for contacting my firm and requesting that we evaluate whether we will represent you in a possible claim. Unfortunately, at this time our firm is unable to represent you in this matter. Accordingly, our office has never rendered any legal services to you and there has never been an attorney-client relationship between you and my office.

In declining to undertake this matter, our firm is not expressing an opinion on whether you will prevail if a complaint is filed. I encourage you to seek a second opinion if you wish to do so. You should seek legal assistance from another attorney to represent you in this matter. Please contact another attorney of your choice.

Please be advised that there is a time limit on your claim and if you do not file a lawsuit within that time you may forever lose the right to make a recovery. Thank you again for contacting our firm. If we may be of assistance in the future to you or to family members or friends who may need legal help, we hope you will contact us.

Very Truly Yours,

Andrew Stikovic
